Chase Products Company

Putting the best at your fingertips®

Chase Products Co., established in 1927 by Carl W. Svendsen and now in its fourth generation as a family-owned company, has long been a major manufacturer and a leader in the aerosol industry.

Founded as an exterminating company, Chase initially manufactured and sold insecticides and pesticides. In April of 1948, we became one of three companies granted a license by the United States Department of Agriculture to provide mosquito abatement solution in pressurized containers.

The USDA license was the result of Chase's early entry into aerosol packaging. The company already had become the first to manufacture spray paint. It went on to become the first to develop hair spray, and the second company to formulate and package spray snow. We were the first company to package natural sizing (spray starch) in an aerosol can, and to formulate and manufacture antiperspirant deodorant in an aerosol can. Chase offered the first sunless tanning product line in aerosol dispensers, and introduced the first full line of EPA DfE-certified continuous spray Jan-San products with our Green World N® line.

In 1980, Chase began to integrate the Quality Improvement Process from Philip Crosby Associates into our activities. Since 1986, the Quality Improvement Team has provided Quality Education for all of our employees.

Today Chase is led by Judith A. Albazi as president and CEO and Ernesto "Ting" Hidalgo as executive vice president and COO, both veteran Chase employees. Along with a loyal and efficient workforce, they are following the tradition of ongoing improvement, and continue to offer the level of products and services that have satisfied customers for over 85 years.

The **Champion Sprayon**® brand was acquired in 1974, when Chase purchased the Champion Bronze Powder Company. In 1982, it was reintroduced to the market as Chase's flagship industrial and institutional brand. The first five **Champion Sprayon** products introduced were our Spray Disinfectant, Foaming Disinfectant Cleaner, Glass Cleaner, Stainless Steel Cleaner and Oven Cleaner. Since 1982, the **Champion Sprayon** brand has been expanded to include over 100 industrial and institutional products.

The **Champion's Choice**™ brand was created in the 1990s as an industrial-MRO extension of the **Champion Sprayon** product line. It made its public debut in 2005 with 13 industrial-MRO products, with new products being added every year.

The **SprayPAK**® brand was first used on "insect bombs," and is Chase's original brand, established in the 1940s. Because of its rich history, Chase reintroduced the **SprayPAK** brand in the 1990s as our bid-line brand.

Chase introduced the **ProsALL**® program in 1995. The program gives select distributors geographic exclusivity to the brand, offering a private-label program without per-item ordering minimums. Distributors who carry the **ProsALL** brand must meet certain requirements.

In the 1970s, after manufacturing national-brand rust-preventative paints for over a decade, Chase launched its **Rust Curb**® brand. We continue to manufacture a broad line of paints and specialty coatings, the newest of which is **ColorSpray**® Ultimate™ Decorating Enamel.

Our exciting **Champion Green World N**® brand, meeting requirements for U.S. EPA Safer Choice (DfE) certified products, represents Chase's most environmentally preferable cleaning products.

Introducing our new Private Label Program

- 10 key aerosol products
- 18-case minimum per order / per SKU
- Customizable full-color label
- Modern can and look

SAFER CHOICE (DfE) CERTIFIED PRODUCTS

CHAMPION
SPRAYON®

GREEN WORLD®

N

Champion Sprayon® Green World N® products are **nitrogen-propelled** cleaners and polishes that utilize **environmentally preferable chemistry**.

Naturally, they meet all requirements for U.S. EPA's Safer Choice (DfE) recognition. They are made from biodegradable ingredients, were not tested on animals, and are in recyclable steel containers that deliver continuous sprays.

They contain no harsh chemicals. They leave no residue or fumes.

epa.gov/dfesaferchoice

Glass Cleaner

- Cleans and shines glass, plastic, plexiglass
- Safer Choice (DfE) certified product
- No residue, fumes, harsh chemicals
- Made from biodegradable ingredients
- Recyclable steel container

Ideal for: Windows, mirrors, doors, windshields, glass TV screens and computer monitors, and other glass, plastic and plexiglass surfaces.

Product # 438-5906
14 oz (396 g)
Case Pack 12

Dust and Mop Treatment

- Treated cloths and mops pick up and hold dust; never scatter it
- Makes regular maintenance faster and easier
 - Safer Choice (DfE) certified product
 - No fumes or harsh chemicals
- Made from biodegradable ingredients
 - Recyclable steel container

Ideal for: Dust cloths and dust mops used on painted and polished surfaces. Do not spray directly on floors.

Product # 438-5908
14 oz (396 g)
Case Pack 12

All-Purpose Cleaner

- Removes dirt, grease and oily grime
- Cleans porcelain, ceramic tile, sealed granite, plastic, stainless steel and more
- Safer Choice (DfE) certified product
- No residue, fumes, harsh chemicals
- Made from biodegradable ingredients
- Recyclable steel container

Ideal for: Appliances, counters and other hard surfaces in the kitchen, bathroom and other rooms.

Product # 438-5907
14 oz (396 g)
Case Pack 12

SAFER CHOICE (DfE) CERTIFIED PRODUCTS

Stainless Steel Cleaner

- Cleans and shines without scratching
- Cleans metal kitchen equipment and drinking fountains
- Safer Choice (DfE) certified product
 - No fumes or harsh chemicals
- Made from biodegradable ingredients
 - Recyclable steel container

Ideal for: Stainless steel and most other metals, including aluminum, chrome, zinc and mild steel.

Product # 438-5909

14 oz (396 g)

Case Pack 12

Furniture Cleaner & Polish

- Restores sheen to furniture as it cleans
- Extends furniture luster without wax applications
- Safer Choice (DfE) certified product
- No residue, fumes, harsh chemicals
- Made from biodegradable ingredients
 - Recyclable steel container

Ideal for: Furniture, paneling and other wood surfaces. Do not spray directly on floors.

Product # 438-5910 14 oz (396 g) Case Pack 12

Bathroom Cleaner

- Removes soap scum, film, smudges, smears and all soil
- Safer Choice (DfE) certified product
- No fumes or harsh chemicals
- Made from biodegradable ingredients
- Recyclable steel container

Ideal for: Bathtubs, showers, toilet seats and exterior bowl surfaces, sinks, countertops, window sills, washable painted surfaces, ceramic tile, porcelain, glass, metal and chrome.

Product # 438-5911

14 oz (396 g)

METERED AIR FRESHENERS

Ordenone® – All of Chase's air fresheners contain Ordenone for maximum malodor elimination. Ordenone is an odorless deodorizing compound that permanently entraps malodor molecules. When the air freshener is sprayed into the air or directly onto the source of the malodor, it enables the encapsulator to attack the source of the malodor, and eliminate the malodor permanently.

SprayScents® Metered Air Fresheners

- Eliminates airborne odors with Ordenone, in areas up to 6,000 cubic feet
- Last 30 days on 15-minute spray setting • 25 research-driven scents
- Two variety packs available

Ideal for: Eliminating malodors from locker rooms, bathrooms, kitchens, garages, garbage areas, smoking areas, pet areas, warehouses and any other areas prone to malodors.

Net Wt 7oz (198 g) Case Pack 12

INDUSTRIAL MRO

Galv-Off

- Galvanization removal spray
- Softens and removes galvanization deposits
- Prevents harmful deposits from accumulating
 - Cleans, lubricates and protects
 - SprayAnyWay valve

Ideal for: Use on forming machine rollers, punch press dies, and other surfaces where galvanization builds up.

Product # 438-5117 Net Wt 12 oz (340 g) Case Pack 12

Cold Galvanizing 95

- Cold zinc galvanizing spray
- Active ingredient is 95%-pure zinc
 - Fuses and adheres to all metal surfaces, galvanic bond
 - Rustproofs any metal surface
 - Stops corrosion immediately
 - Resistant to abrasion, cracking or peeling, and oxidation
 - Heat resistant up to 400°F

Ideal for: Industrial maintenance, repairing hot dip galvanizing, heating and air conditioning, industrial and construction vehicle bodies, farm machinery, ships and marine equipment, weldments and piping. Conforms to military specifications MIL-P-21035 USAF, MIL-P-26915A, MIL-P-46105 for primer coatings and galvanizing repair.

Product # 419-T3408 Net Wt 12 oz (340 g) Case Pack 6

Multi-Purpose Mist Adhesive

- Misting spray adhesive
- Permanent, flexible, waterproof bond
- Fast, aggressive tack
- High solids, 30%
- High shear strength
- Does not stain

Ideal for: Paper, cardboard, cork, fabrics, foams, plastics, vinyl, rubber, metals, wood and more.

Product # 438-5115 Net Wt 13.2 oz (374 g) Case Pack 12

Heavy-Duty Multi-Purpose Web Adhesive

- Heavy-duty web spray adhesive
- Permanent, flexible, waterproof bond
- Fast, aggressive tack
- High solids, 32%
- High shear strength
- Adjustable spray tip

Ideal for: Paper, cardboard, cork, fabrics, leather, foams, Styrofoam, insulation, plastics, vinyl, rubber, metals, wood and more.

Product # 438-5163 Net Wt 12 oz (340 g) Case Pack 12

Coil Cleaner

- Powerful foaming coil cleaner
- Heavy-duty alkaline detergent
- Blasting stream reaches tight areas
- Clinging foam requires rinsing
- Cleans and degreases
- Breaks down dirt, grease, oil and other grime
- Water-based
- Fresh lemon scent
- SprayAnyWay valve

Ideal for: Use on heating, refrigeration and air-conditioning coils as in refrigerators, window and whole-house air conditioners, rooftop HVAC units, auto radiators, air-cooled equipment, small condenser and evaporator coils, fins, fan blades, metal filters and more.

Product # 438-5118 Net Wt 1 lb 2 oz (510 g) Case Pack 12

Penetrating Oil & Demoisurant

- Penetrates and dissolves rust and corrosion
- Lubricants, protects and prevents corrosion
- Displaces water and moistureproofs electrical equipment
- Includes extension tube

Ideal for: Loosening and protecting nuts, bolts, pins, screws, bushings, clips, hinges, snaps, lugs, washers, and sliding mechanisms. Use to protect electric motors, ignition systems, welding equipment, all types of machinery, tools and instruments.

Product # 438-5159 Net Wt 15 oz (425 g) Case Pack 12

NOT FOR SALE IN CALIFORNIA

Silicone Lubricant

- High viscosity silicone lubricant spray
- Prevents sticking, reduces friction
- Waterproofs
- Rustproofs
- Clean, non-staining
- Includes extension tube

Ideal for: Freeing sticking mechanisms, eliminating fan belt squeaks, metal-to-metal noises and rubber-to-metal squeaks. Lubricates hinges, window channels, weather stripping, trunk seals, rubber mountings, emergency brakes, pedal shafts, zippers, etc. Repels water and ice and prevents freezing of exposed locks. Retards rust and corrosion. Excellent for waterproofing ignition systems and other electrical connections.

Product # 438-5351 Net Wt 11 oz (311 g) Case Pack 12

CS+ Lubricant

- Cleans grease
- Displaces moisture and dries out electrical systems
- Penetrates loosening rusted, frozen parts
- Protects, shielding against moisture
- Includes extension tube

Ideal for: Protecting metal from rust and corrosion, penetrates stuck parts, displaces moisture, and lubricates.

Product # 438-5158 Net Wt 12 oz (340 g) Case Pack 12

D-Limonene Degreaser

- Natural d-limonene degreaser
- Non-chlorinated heavy-duty degreaser
- Fast-acting citrus solvents
- Penetrates grease and oil deposits
- Removes adhesives and gum
- 100% biodegradable

Ideal for: Effective removal of grease, oil, grime, adhesives, gum and tar. Can also be used to remove light graffiti and wet paint.

Product # 438-5350 Net Wt 15 oz (425 g) Case Pack 12

Silicone Mold Release

- Low viscosity, dry silicone spray
- Prevents sticking, reduces friction and buildup
- Performs in temperatures -47°F to 399°F
- Clear and non-staining
- Leaves no greasy, oily residue
- Includes extension tube

Ideal for: Reducing friction and buildup on molds without leaving an oily or greasy surface. Extends the life of equipment. Cuts cleanup time. Use on molds made of wood, metal, glass, rubber, etc.

Product # 438-5162 Net Wt 11 oz (311 g) Case Pack 12

Chase Products Co. Quality Policy
